

Warehouse Operative
Day shift, Full-time 37.5 Hours a week

Since 1937 we've pushed the boundaries of material technology, solved challenging problems and, above all, kept people safe. Our advance materials are used across the world and across multiple industries. We've protected the Royal Navy and safeguarded Underground passengers. We've shielded NATO military convoys and reinforced commercial airline cockpits. Our dedication to precision and performance is constant whether providing the NHS with vital supplies in a crisis or making mission-critical materials for NASA. Decades of experience have taken us from helping the Spitfire to soar to keeping every F1 team on track. We've always risen to the challenge.

We are currently going through an exciting period of growth and are looking for Warehouse Operative to join our company.

Required Duties for the Warehouse Operative:

- Receiving, checking and auditing deliveries
- Dispatching goods and materials to specific packing standards, checking off paperwork, packing standards and ensuring correct despatches
- Ensuring all products are transported and stored in a safe manor
- Operating a counterbalance and reach trucks to load and unload deliveries
- Correctly picking and delivering stock to the production team and around the business
- Entering and managing data into the stock system
- Checking stock in for defects and damage
- Cycle counting
- Working to deliver and perform against set KPI's and targets
- Moving materials around shop floor

The successful candidate for the Warehouse Operative position will have the following experience:

- FLT counterbalance license holder
- Previous experience working within a fast-paced manufacturing environment
- Ability to work under pressure
- Computer literate
- Reach Licence (desirable)
- Good organisational skills

In exchange we offer:

- 34 days of annual leave, including Bank Holidays

- 3% Employer Pension Contribution
- Life Assurance x 3
- Income protection scheme
- Private medical cover
- Cycle to work scheme

If you are interested in applying for the vacancy, please forward on a CV and a covering letter to Magdalena Oleszczak at jobs@permali.co.uk or call (01452) 528 282
